NEW QUESTION: 1

A project manager wants to create a revenue budget based on the project agreement and allocated funding. How can this be achieved?

- A. by setting transaction controls
- B. by manually creating a revenue budget
- C. by selecting the "baseline project without budget" option, which will create a revenue budget automatically based on project funding
- D. by selecting Invoice at top task for the project
- E. by selecting Funding revaluation in the system implementation options.

Answer: C

Explanation:

Explanation/Reference:

Explanation:

You can automatically create and baseline an Approved Revenue Budget for a project by checking the Baseline Funding without Budget check box in the Project Funding Inquiry window.

Note: Budget/Fund/Bill at Project or Top Task Level

You can create a revenue budget, funding source allocation and project agreement, and perform billing at either the project or the top task level. After you have created an allocation line at either level, you cannot change to another level. For example, if you have created a funding allocation for a top task, you cannot create another funding allocation for the same project without entering a top task.
