NEW QUESTION: 3
Click to expand each objective. To connect to the Azure portal,
type https://portal.azure.com in the browser address bar.

When you are finished performing all the tasks, click the
'Next' button.
Note that you cannot return to the lab once you click the
'Next' button. Scoring occur in the background while you
complete the rest of the exam.
Overview
The following section of the exam is a lab. In this section,
you will perform a set of tasks in a live environment. While
most functionality will be available to you as it would be in a
live environment, some functionality (e.g., copy and paste,
ability to navigate to external websites) will not be possible
by design.
Scoring is based on the outcome of performing the tasks stated
in the lab. In other words, it doesn't matter how you
accomplish the task, if you successfully perform it, you will

earn credit for that task.
Labs are not timed separately, and this exam may have more than
one lab that you must complete. You can use as much time as you
would like to complete each lab. But, you should manage your
time appropriately to ensure that you are able to complete the
lab(s) and all other sections of the exam in the time provided.
Please note that once you submit your work by clicking the Next
button within a lab, you will NOT be able to return to the lab.
To start the lab
You may start the lab by clicking the Next button.
