Answer: C

NEW QUESTION: 4
Revenue Accounting manages the fulfillment statuses of performance obligations on its owi When a performance obligation qualifies as fulfilled, it is tracked as fulfilled in Revenue Accounting. The corresponding revenues and costs are then recognized in a revenue posting job, typically performed at the closing of an accounting period. Therefore, the data tracked in Revenue Accounting may be inconsistent with the general ledger until a revenue posting job is performed. Revenue Accounting supports various calculations of performance obligation fulfillment. For example, performance obligations can be fulfilled in the following ways:
Note: There are 3 correct answers to this question.
A. On the occurrence of a certain event
B. Automatically managed
C. Over a period of time
D. Over a period of time that starts with an event
Answer: A,C,D
