NEW QUESTION: 1

How many screen sections make up the warehouse monitor display? Choose the correct answer(s).

- A. four
- B. one
- C. two
- D. three

Answer: D

NEW QUESTION: 2

You administer the Office 365 tenant for an organization. You assign Enterprise E5 licenses to all users.

You must deploy a collaboration solution for developers that meet the following requirements:

* Members of the developers team must be able to collaborate separately as a team.

* The project manager must be able to change team membership without the need for administrative intervention. You need to enable the required components in Office 365 to provide the collaboration environment. Which three actions should you perform in sequence? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order. NOTE: More than one order of answer choices is correct. You will receive credit for any of the correct orders you select.

Answer:

Explanation:

Explanation

Within Microsoft Teams there are two roles: Owner and Member. By default, a user that creates a new team is granted the Owner status. If a team is created from an existing Office 365 Group, permissions are inherited.

Channels are dedicated sections within a team to keep conversations organized by specific topics, projects, disciplines References:
